WILBOR'S COD LIVER OIL AND LIME

Has now been before the public for four years, and has steadily grown into favor and appreciation. This could not be the case unless the preparation was of undoubted and high intrinsic value. The combination of the Phosphete of Lime with ports cod Liver Oil. as propared by Dr. WILBOR has produced a new phase in the treatment of Consumption, and all Disasses of the Lungs. This strickle can be taken by the most delicate invalid, without creating the disgusting sauses, which is such a producing to be consumed to the Cod Liver Oil, when taken without Lime. This preparation is prescribed by the regular faculty, and sold by the proprietor, wholessle and retain.

The New-Orlean Delta says: "This remarkable work has produced an impression upon the reading public almost without parallel in late years. Such andacit; and delicacy, such rigorous analysis and tender sen iment were scarcely ever before so artistically and effectively combined. The style of the work is fit for its important theme—dignified, eloquent; vigorous, and chaste."

WALTER ASHWOOD. A new and capital novel, by Part Stotycott, anthor of "Schediasma." Characterized as "another Guy Living-tone." The New-York Atlas says: "There is a vein of naturalness pervading the whole book, that lends it an especial charm, and wins the confidence as well as the admiration of the reader; and at the same time a dash of Bobeminnism that makes it racy and exhibitanting."

An interesting and readable hardbook for ladies and gen lemon.

The hope points of taste and good manners, and the art of making oneself agreeable. The New-Orleans Bulletin says: "The reader will find this excellent book bringful of humor and good sense. It is by far the best, wittlest, and most interesting book on manners we have ever seen."

THE GREAT TRIBULATION. Two volumes, 12mo., sold separately, \$1 each.
There remarkable volumes of Sermons, by the Nev. Dr. Cunning of London, have created a most extraordinary interest throughout the reading religious community. They are ranked, in the cpinion of theological citties, among the most important of recent contributions to the literature of the Prophecies. Beniley, the English publisher, amounces the ELEVENTH THOUSAND, and the circulation in this country is correspondingly large.
